as the material benefits. These gains are large and constant. When we say that the world is improving we can have reference to nothing else but the strengthening of the individual character and moral purpose, which is shared by all who come under its influence. This thought is becoming larger and stronger each Thanksgiving Day, and that is really why the significance of the occasion increases in the minds of men, and the careless perversion of purpose becomes less.

GOOD ROADS WORK PROGRESSING RAPIDLY

Santa Fe, N. M., Nov. 24.—Territorial Engineer Vernon L. Sullivan is back in Santa Fe after an absence of several weeks spent on irrigation business in the lower Pecos and Pecos valleys. He reports that work on the Albuquerque-Santa Fe road has started at Santo Domingo and La Bajada hill in earnest with a small force. A force is also being organized by Good Roads Engineer J. W. Lewis and Foreman Weaver to start work immediately on the Carrizozo-Roswell road. The first work will be done on the big hill between Roswell and Piencho, after which the Nogal hill will be worked. Lincoln county not only has given \$2,500 cash for this work, but its road supervisors have also donated all the work in their district to the enterprise. Chaves county will pay for the construction of the road in the county. By eliminating the heavy grades on the two hills mentioned, the rest of the road as now in existence will be passable and will be gradually improved.

Mr. Sullivan is receiving very satisfactory answers to the recent circular sent to members of the bar asking for suggestions for legislation that will tend to assure the highest use of the waters of the territory.

WAS YOUR GRANDMOTHER A GOOD COOK?
Fifty years ago your grandmother was successful in her baking in spite of many handicaps. In her day Baking Powder was a novelty. She was glad to pay 50 cents a pound for it. Still the Baking Powder Trust ask you to pay the old high prices today for the same old-style Baking Powder. K C Baking Powder combines the best of everything in materials, quality and scientific skill to make the most perfect of all Baking Powders. Remember—K C Baking Powder—guaranteed under all Pure Food Laws. And the price—25 cents for a 25 ounce can!

Delicious Banana Cream
This recipe is highly recommended by one of our correspondents; try it for dessert tomorrow.

Pour into mold and when cold garnish with candied cherries. Serve with whipped cream, or any good pudding sauce. JELLO is sold by all grocers at 10c per package.

Don't waste valuable time explaining why you failed. Get busy and make good.

Directions for Colic in Horses.—Contents of small bottle Painkiller (Perry Davis') in quart bottle, add pint warm or cold water, sweeten with molasses, shake well until all mixed. Give about half at once, then balance in fifteen minutes, if first dose is not sufficient. This will be found a never failing remedy. 35c for a large bottle. Also in 25c and 50c sizes.

In the stock market even the bull may have a grin and bear it.

Purity, perfect results and economy are combined in K C Baking Powder. Guaranteed the best at any price. You are wasting your money to pay more for any baking powder 25 cents for a 25 ounce can.
